### Aims of Training:

#### Aim:

- To provide learners with an awareness of the signs of exploitation and trafficking in the UK and actions required if learners have concerns

#### Learning Outcomes:

Participants will:

- Understand what modern slavery is and identify the different types that exist
- Recognise the signs / indicators of modern slavery
- Know what to do if you identify a victim / case of modern slavery

#### Facilitator:

Chris Reeves, [Hope For Justice](#)
